## B. Definition of Nonconstruction Services Occupations

Section 18-2-401(9)(a)-(9)(l), MCA defines “nonconstruction services” as “...work performed by an individual, not including management, office, or clerical work, for:

- (a) the maintenance of publicly owned buildings and facilities, including public highways, roads, streets, and alleys;
- (b) custodial or security services for publicly owned buildings and facilities;
- (c) grounds maintenance for publicly owned property;
- (d) the operation of public drinking water supply, waste collection, and waste disposal systems;
- (e) law enforcement, including janitors and prison guards;
- (f) fire protection;
- (g) public or school transportation driving;
- (h) nursing, nurse's aid services, and medical laboratory technician services;
- (i) material and mail handling;
- (j) food service and cooking;
- (k) motor vehicle and construction equipment repair and servicing; and
- (l) appliance and office machine repair and servicing.”

#### C. Definition of Public Works Contract

Section 18-2-401(11)(a), MCA defines “public works contract” as “...a contract for construction services let by the state, county, municipality, school district, or political subdivision or for nonconstruction services let by the state, county, municipality, or political subdivision in which the total cost of the contract is in excess of \$25,000...”

#### D. Prevailing Wage Schedule

This publication covers only Nonconstruction Service occupations and rates. These rates will remain in effect until superseded by a more current publication. Current prevailing wage rate schedules for Heavy, Highway, and Building Construction occupations can be found on the Internet at [erd.dli.mt.gov/labor-standards](http://erd.dli.mt.gov/labor-standards) or by contacting the department at (406) 444-6543.

#### E. Rates to Use for Projects

ARM, 24.17.127(1)(c), states “The wage rates applicable to a particular public works project are those in effect at the time the bid specifications are advertised.”

#### F. Wage Rate Adjustments for Multiyear Contracts

Section 18-2-417, MCA states:

*“(1) Any public works contract that by the terms of the original contract calls for more than 30 months to fully perform must include a provision to adjust, as provided in subsection (2), the standard prevailing rate of wages to be paid to the workers performing the contract.*

*(2) The standard prevailing rate of wages paid to workers under a contract subject to this section must be adjusted 12 months after the date of the award of the public works contract. The amount of the adjustment must be a 3% increase. The adjustment must be made and applied every 12 months for the term of the contract.*

*(3) Any increase in the standard rate of prevailing wages for workers under this section is the sole responsibility of the contractor and any subcontractors and not the contracting agency.”*

#### G. Fringe Benefits

Section 18-2-412, MCA states:

*“(1) To fulfill the obligation...a contractor or subcontractor may:*

*(a) pay the amount of fringe benefits and the basic hourly rate of pay that is part of the standard prevailing rate of wages directly to the worker or employee in cash;*

*(b) make an irrevocable contribution to a trustee or a third person pursuant to a fringe benefit fund, plan, or program that meets the requirements of the Employee Retirement Income Security Act of 1974 or that is a bona fide program approved by the U. S. department of labor; or*

*(c) make payments using any combination of methods set forth in subsections (1)(a) and (1)(b) so that the aggregate of payments and contributions is not less than the standard prevailing rate of wages, including fringe benefits and travel allowances, applicable to the district for the particular type of work being performed.*

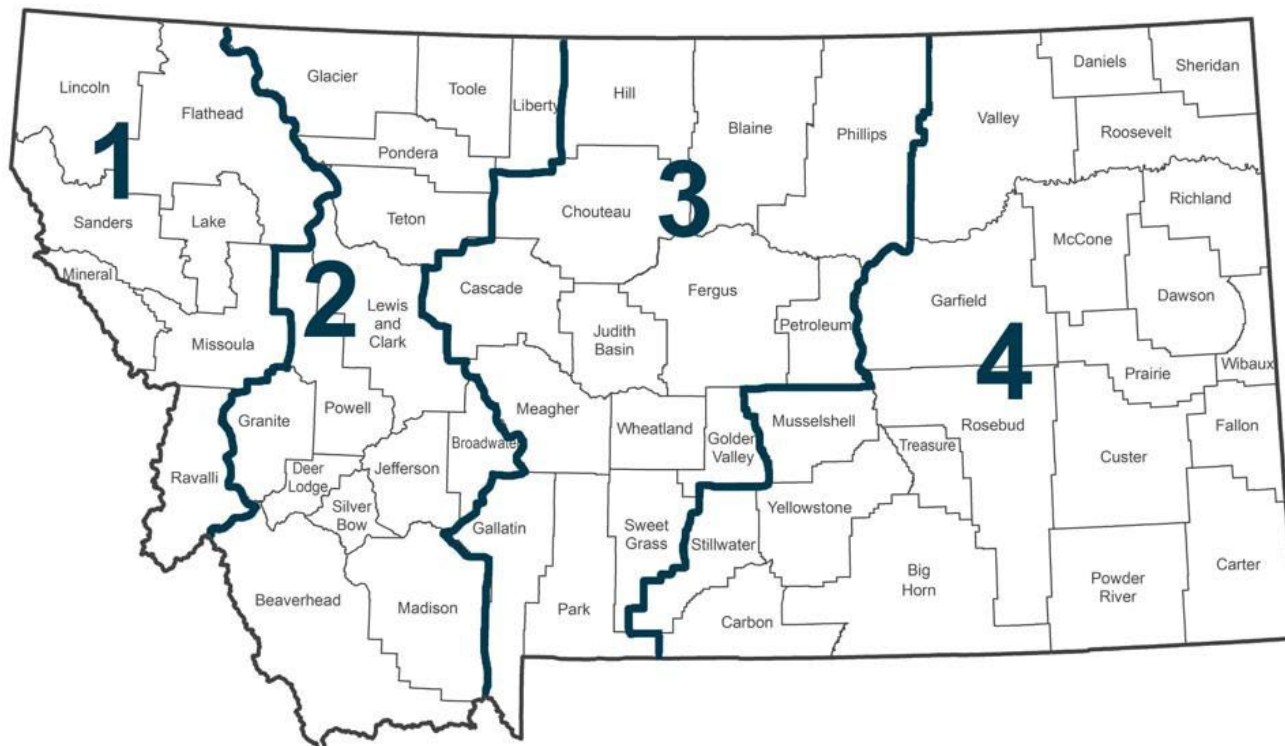

*(2) The fringe benefit fund, plan, or program described in subsection (1)(b) must provide benefits to workers or employees for health care, pensions on retirement or death, life insurance, disability and sickness insurance, or bona fide programs that meet the requirements of the Employee Retirement Income Security Act of 1974 or that are approved by the U. S. department of labor.”*

Fringe benefits are paid for all hours worked (straight time and overtime hours). However, fringe benefits are not to be considered a part of the hourly rate of pay for calculating overtime, unless there is a collectively bargained agreement in effect that specifies otherwise.

## H. Prevailing Wage Districts

Montana counties are aggregated into 4 districts for the purpose of prevailing wage. The prevailing wage districts are composed of the following counties:

### Montana Prevailing Wage Districts

## I. Dispatch City

ARM, 24.17.103(11), defines dispatch city as “...the courthouse in the city from the following list which is closest to the center of the job: Billings, Bozeman, Butte, Great Falls, Helena, Kalispell, Miles City, Missoula and Sidney.” A dispatch city shall be considered the point of origin only for jobs within the counties identified in that district (as shown below):

- District 1 – Kalispell and Missoula: includes Flathead, Lake, Lincoln, Mineral, Missoula, Ravalli, and Sanders;
- District 2 – Butte and Helena: includes Beaverhead, Broadwater, Deer Lodge, Glacier, Granite, Jefferson, Lewis and Clark, Liberty, Madison, Pondera, Powell, Silver Bow, Teton, and Toole;
- District 3 – Bozeman and Great Falls: includes Blaine, Cascade, Chouteau, Fergus, Gallatin, Golden Valley, Hill, Judith Basin, Meagher, Park, Petroleum, Phillips, Sweet Grass, and Wheatland;
- District 4 – Billings, Miles City and Sidney: includes Big Horn, Carbon, Carter, Custer, Daniels, Dawson, Fallon, Garfield, McCone, Musselshell, Powder River, Prairie, Richland, Roosevelt, Rosebud, Sheridan, Stillwater, Treasure, Valley, Wibaux, and Yellowstone.

## J. Zone Pay

Zone pay is not travel pay. ARM, 24.17.103(24), defines zone pay as “...an amount added to the base pay; the combined sum then becomes the new base wage rate to be paid for all hours worked on the project. Zone pay must be determined by measuring the road miles one way over the shortest practical maintained route from the dispatch city to the center of the job.” See section I above for a list of dispatch cities.

## K. Computing Travel Benefits

ARM, 24.17.103(22), states “ ‘Travel pay,’ also referred to as ‘travel allowance,’ is and must be paid for travel both to and from the job site, except those with special provisions listed under the classification. The rate is determined by measuring the road miles one direction over the shortest practical maintained route from the dispatch city or the employee’s home, whichever is closer, to the center of the job.” See section I above for a list of dispatch cities.

#### L. Per Diem

ARM, 24.17.103(18), states “ ‘Per diem’ typically covers costs associated with board and lodging expenses. Per diem is paid when an employee is required to work at a location outside the daily commuting distance and is required to stay at that location overnight or longer.”

#### M. Apprentices

Wage rates for apprentices registered in approved federal or state apprenticeship programs are contained in those programs. Additionally, section 18-2-416(2), MCA states “...The full amount of any applicable fringe benefits must be paid to the apprentice while the apprentice is working on the public works contract.” Apprentices not registered in approved federal or state apprenticeship programs will be paid the appropriate journey level prevailing wage rate when working on a public works contract.

#### N. Posting Notice of Prevailing Wages

Section 18-2-406, MCA provides that contractors, subcontractors and employers who are “...performing work or providing construction services under public works contracts, as provided in this part, shall post in a prominent and accessible site on the project or staging area, not later than the first day of work and continuing for the entire duration of the project, a legible statement of all wages and fringe benefits to be paid to the employees.”

#### O. Employment Preference

Sections 18-2-403 and 18-2-409, MCA requires contractors to give preference to the employment of bona fide Montana residents in the performance of work on public works contracts.

### B. Definition of Nonconstruction Services Occupations

Section 18-2-401(9)(a)-(9)(l), MCA defines "nonconstruction services" as "...work performed by an individual, not including management, office, or clerical work, for:

- (a) the maintenance of publicly owned buildings and facilities, including public highways, roads, streets, and alleys;
- (b) custodial or security services for publicly owned buildings and facilities;

- (c) grounds maintenance for publicly owned property;*
- (d) the operation of public drinking water supply, waste collection, and waste disposal systems;*
- (e) law enforcement, including janitors and prison guards;*
- (f) fire protection;*
- (g) public or school transportation driving;*
- (h) nursing, nurse's aid services, and medical laboratory technician services;*
- (i) material and mail handling;*
- (j) food service and cooking;*
- (k) motor vehicle and construction equipment repair and servicing; and*
- (l) appliance and office machine repair and servicing."*

### C. Definition of Public Works Contract

Section 18-2-401(11)(a), MCA defines “public works contract” as “...a contract for construction services let by the state, county, municipality, school district, or political subdivision or for nonconstruction services let by the state, county, municipality, or political subdivision in which the total cost of the contract is in excess of \$25,000...”

### D. Prevailing Wage Schedule

This publication covers only Nonconstruction Service occupations and rates. These rates will remain in effect until superseded by a more current publication. Current prevailing wage rate schedules for Heavy, Highway, and Building Construction occupations can be found on the Internet at [www.mtwagehourbopa.com](http://www.mtwagehourbopa.com) or by contacting the department at (406) 444-6543.

### E. Rates to Use for Projects

ARM, 24.17.127(1)(c), states “The wage rates applicable to a particular public works project are those in effect at the time the bid specifications are advertised.”

### F. Wage Rate Adjustments for Multiyear Contracts

Section 18-2-417, MCA states:

“(1) Any public works contract that by the terms of the original contract calls for more than 30 months to fully perform must include a provision to adjust, as provided in subsection (2), the standard prevailing rate of wages to be paid to the workers performing the contract.

(2) The standard prevailing rate of wages paid to workers under a contract subject to this section must be adjusted 12 months after the date of the award of the public works contract. The amount of the adjustment must be a 3% increase. The adjustment must be made and applied every 12 months for the term of the contract.

(3) Any increase in the standard rate of prevailing wages for workers under this section is the sole responsibility of the contractor and any subcontractors and not the contracting agency.”

### G. Fringe Benefits

Section 18-2-412, MCA states:

“(1) To fulfill the obligation...a contractor or subcontractor may:

(a) pay the amount of fringe benefits and the basic hourly rate of pay that is part of the standard prevailing rate of wages directly to the worker or employee in cash;

(b) make an irrevocable contribution to a trustee or a third person pursuant to a fringe benefit fund, plan, or program that meets the requirements of the Employee Retirement Income Security Act of 1974 or that is a bona fide program approved by the U. S. department of labor; or

(c) make payments using any combination of methods set forth in subsections (1)(a) and (1)(b) so that the aggregate of payments and contributions is not less than the standard prevailing rate of wages, including fringe benefits and travel allowances, applicable to the district for the particular type of work being performed.

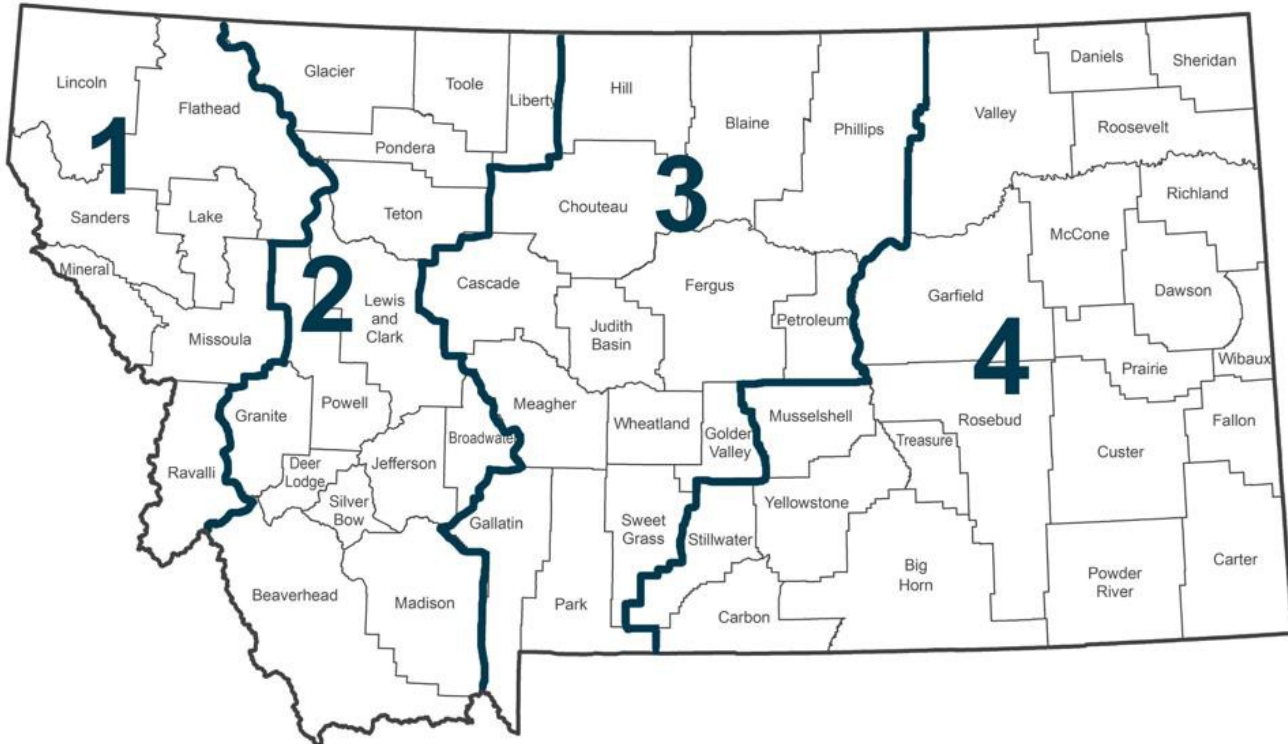

(2) The fringe benefit fund, plan, or program described in subsection (1)(b) must provide benefits to workers or employees for health care, pensions on retirement or death, life insurance, disability and sickness insurance, or bona fide programs that meet the requirements of the Employee Retirement Income Security Act of 1974 or that are approved by the U. S. department of labor.”

Fringe benefits are paid for all hours worked (straight time and overtime hours). However, fringe benefits are not to be considered a part of the hourly rate of pay for calculating overtime, unless there is a collectively bargained agreement in effect that specifies otherwise.

## H. Prevailing Wage Districts

Montana counties are aggregated into 4 districts for the purpose of prevailing wage. The prevailing wage districts are composed of the following counties:

### Montana Prevailing Wage Districts

## I. Dispatch City

ARM, 24.17.103(11), defines dispatch city as “...the courthouse in the city from the following list which is closest to the center of the job: Billings, Bozeman, Butte, Great Falls, Helena, Kalispell, and Missoula.” A dispatch city shall be considered the point of origin only for jobs within the counties identified in that district (as shown below):

- District 1 - Kalispell and Missoula: includes Flathead, Lake, Lincoln, Mineral, Missoula, Ravalli, and Sanders;
- District 2 - Butte and Helena: includes Beaverhead, Broadwater, Deer Lodge, Glacier, Granite, Jefferson, Lewis and Clark, Liberty, Madison, Pondera, Powell, Silver Bow, Teton, and Toole;
- District 3 - Bozeman and Great Falls: includes Blaine, Cascade, Chouteau, Fergus, Gallatin, Golden Valley, Hill, Judith Basin, Meagher, Park, Petroleum, Phillips, Sweet Grass, and Wheatland;
- District 4 - Billings: includes Big Horn, Carbon, Carter, Custer, Daniels, Dawson, Fallon, Garfield, McCone, Musselshell, Powder River, Prairie, Richland, Roosevelt, Rosebud, Sheridan, Stillwater, Treasure, Valley, Wibaux, and Yellowstone.

## J. Zone Pay

Zone pay is not travel pay. ARM, 24.17.103(24), defines zone pay as “...an amount added to the base pay; the combined sum then becomes the new base wage rate to be paid for all hours worked on the project. Zone pay must be determined by measuring the road miles one way over the shortest practical maintained route from the dispatch city to the center of the job.” See section I above for a list of dispatch cities.

## K. Computing Travel Benefits

ARM, 24.17.103(22), states “ ‘Travel pay,’ also referred to as ‘travel allowance,’ is and must be paid for travel both to and from the job site, except those with special provisions listed under the classification. The rate is determined by measuring the road miles one direction over the shortest practical maintained route from the dispatch city or the employee’s home, whichever is closer, to the center of the job.” See section I above for a list of dispatch cities.

#### L. Per Diem

ARM, 24.17.103(18), states “ ‘Per diem’ typically covers costs associated with board and lodging expenses. Per diem is paid when an employee is required to work at a location outside the daily commuting distance and is required to stay at that location overnight or longer.”

#### M. Apprentices

Wage rates for apprentices registered in approved federal or state apprenticeship programs are contained in those programs. Additionally, section 18-2-416(2), MCA states “...The full amount of any applicable fringe benefits must be paid to the apprentice while the apprentice is working on the public works contract.” Apprentices not registered in approved federal or state apprenticeship programs will be paid the appropriate journey level prevailing wage rate when working on a public works contract.

#### N. Posting Notice of Prevailing Wages

Section 18-2-406, MCA provides that contractors, subcontractors and employers who are “...performing work or providing construction services under public works contracts, as provided in this part, shall post in a prominent and accessible site on the project or staging area, not later than the first day of work and continuing for the entire duration of the project, a legible statement of all wages and fringe benefits to be paid to the employees.”

#### O. Employment Preference

Sections 18-2-403 and 18-2-409, MCA requires contractors to give preference to the employment of bona fide Montana residents in the performance of work on public works contracts.

#### P. Occupations Definitions

You can find definitions for these occupations on the following Bureau of Labor Statistics website:

### **E. Rates to Use for Projects**

ARM, 24.17.127(1)(c), states “The wage rates applicable to a particular public works project are those in effect at the time the bid specifications are advertised.”

### **F. Wage Rate Adjustments for Multiyear Contracts**

Section 18-2-417, MCA states:

“(1) Any public works contract that by the terms of the original contract calls for more than 30 months to fully perform must include a provision to adjust, as provided in subsection (2), the standard prevailing rate of wages to be paid to the workers performing the contract.

(2) The standard prevailing rate of wages paid to workers under a contract subject to this section must be adjusted 12 months after the date of the award of the public works contract. The amount of the adjustment must be a 3% increase. The adjustment must be made and applied every 12 months for the term of the contract.

(3) Any increase in the standard rate of prevailing wages for workers under this section is the sole responsibility of the contractor and any subcontractors and not the contracting agency.”

### **G. Fringe Benefits**

Section 18-2-412, MCA states:

“(1) To fulfill the obligation...a contractor or subcontractor may:

(a) pay the amount of fringe benefits and the basic hourly rate of pay that is part of the standard prevailing rate of wages directly to the worker or employee in cash;

(b) make an irrevocable contribution to a trustee or a third person pursuant to a fringe benefit fund, plan, or program that meets the requirements of the Employee Retirement Income Security Act of 1974 or that is a bona fide program approved by the U. S. department of labor; or

(c) make payments using any combination of methods set forth in subsections (1)(a) and (1)(b) so that the aggregate of payments and contributions is not less than the standard prevailing rate of wages, including fringe benefits and travel allowances, applicable to the district for the particular type of work being performed.

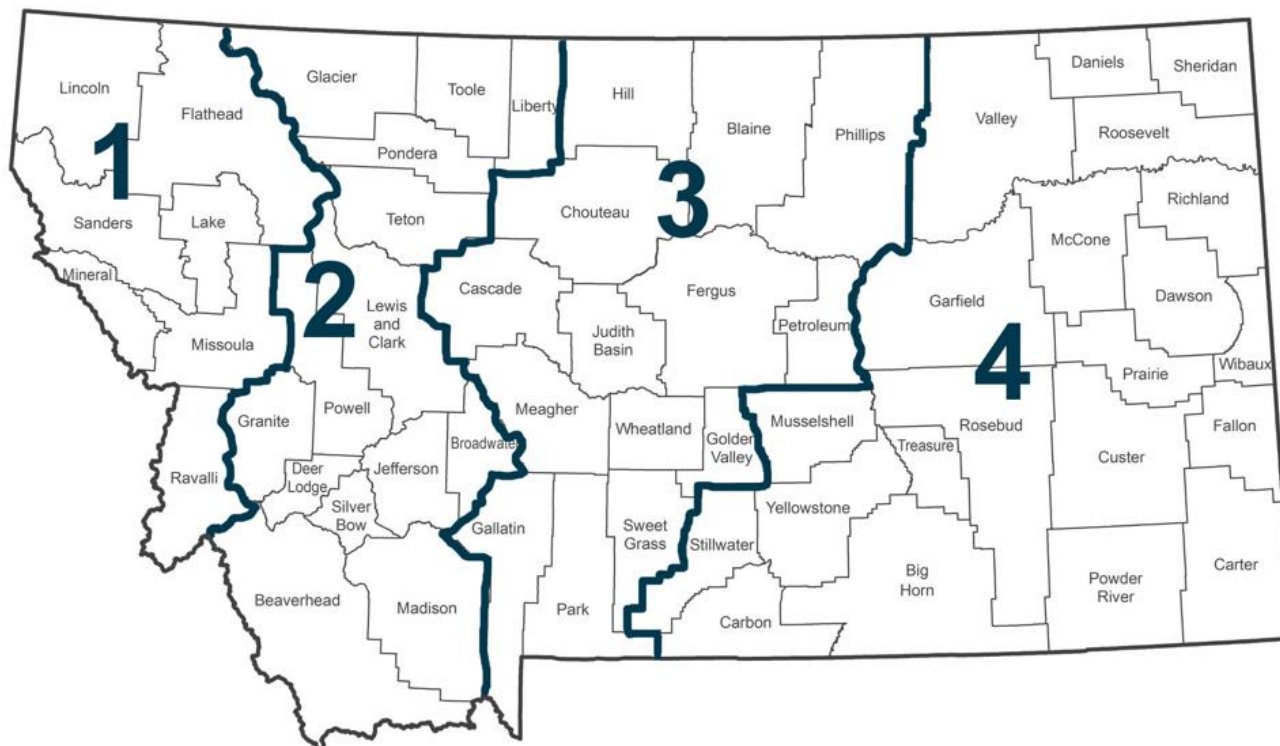

(2) The fringe benefit fund, plan, or program described in subsection (1)(b) must provide benefits to workers or employees for health care, pensions on retirement or death, life insurance, disability and sickness insurance, or bona fide programs that meet the requirements of the Employee Retirement Income Security Act of 1974 or that are approved by the U. S. department of labor.”

Fringe benefits are paid for all hours worked (straight time and overtime hours). However, fringe benefits are not to be considered a part of the hourly rate of pay for calculating overtime, unless there is a collectively bargained agreement in effect that specifies otherwise.

## H. Prevailing Wage Districts

Montana counties are aggregated into 4 districts for the purpose of prevailing wage. The prevailing wage districts are composed of the following counties:

### Montana Prevailing Wage Districts

## I. Dispatch City

ARM, 24.17.103(11), defines dispatch city as “...the courthouse in the city from the following list which is closest to the center of the job: Billings, Bozeman, Butte, Great Falls, Helena, Kalispell, and Missoula.” A dispatch city shall be considered the point of origin only for jobs within the counties identified in that district (as shown below):

- District 1 – Kalispell and Missoula:** includes Flathead, Lake, Lincoln, Mineral, Missoula, Ravalli, and Sanders;
- District 2 – Butte and Helena:** includes Beaverhead, Broadwater, Deer Lodge, Glacier, Granite, Jefferson, Lewis and Clark, Liberty, Madison, Pondera, Powell, Silver Bow, Teton, and Toole;
- District 3 – Bozeman and Great Falls:** includes Blaine, Cascade, Chouteau, Fergus, Gallatin, Golden Valley, Hill, Judith Basin, Meagher, Park, Petroleum, Phillips, Sweet Grass, and Wheatland;
- District 4 – Billings:** includes Big Horn, Carbon, Carter, Custer, Daniels, Dawson, Fallon, Garfield, McCone, Musselshell, Powder River, Prairie, Richland, Roosevelt, Rosebud, Sheridan, Stillwater, Treasure, Valley, Wibaux, and Yellowstone.

## J. Zone Pay

Zone pay is not travel pay. ARM, 24.17.103(24), defines zone pay as “...an amount added to the base pay; the combined sum then becomes the new base wage rate to be paid for all hours worked on the project. Zone pay must be determined by measuring the road miles one way over the shortest practical maintained route from the dispatch city to the center of the job.” See section I above for a list of dispatch cities.

## K. Computing Travel Benefits

ARM, 24.17.103(22), states “ ‘Travel pay,’ also referred to as ‘travel allowance,’ is and must be paid for travel both to and from the job site, except those with special provisions listed under the classification. The rate is determined by measuring the road miles one direction over the shortest practical maintained route from the dispatch city or the employee's home, whichever is closer, to the center of the job.” See section I above for a list of dispatch cities.

#### **L. Per Diem**

ARM, 24.17.103(18), states “ ‘Per diem’ typically covers costs associated with board and lodging expenses. Per diem is paid when an employee is required to work at a location outside the daily commuting distance and is required to stay at that location overnight or longer.”

#### **M. Apprentices**

Wage rates for apprentices registered in approved federal or state apprenticeship programs are contained in those programs. Additionally, section 18-2-416(2), MCA states “...The full amount of any applicable fringe benefits must be paid to the apprentice while the apprentice is working on the public works contract.” Apprentices not registered in approved federal or state apprenticeship programs will be paid the appropriate journey level prevailing wage rate when working on a public works contract.

#### **N. Posting Notice of Prevailing Wages**

Section 18-2-406, MCA provides that contractors, subcontractors and employers who are “...performing work or providing construction services under public works contracts, as provided in this part, shall post in a prominent and accessible site on the project or staging area, not later than the first day of work and continuing for the entire duration of the project, a legible statement of all wages and fringe benefits to be paid to the employees.”

#### **O. Employment Preference**

Sections 18-2-403 and 18-2-409, MCA requires contractors to give preference to the employment of bona fide Montana residents in the performance of work on public works contracts.

#### **P. Occupations Definitions**

You can find definitions for these occupations on the following Bureau of Labor Statistics website:

**4. WARRANTIES**

The Department's acceptance of services provided by Contractor shall not relieve Contractor from its obligations under this warranty. In addition to its other remedies under this contract, at law, or in equity, the Department may, at Contractor's expense, require prompt correction of any services failing to meet Contractor's warranty

herein. Services corrected by Contractor shall be subject to all the provisions of this contract in the manner and to the same extent as services originally furnished.

## **7. PREVAILING WAGE REQUIREMENTS**

**7.1 Montana Resident Preference.** The nature of the work performed, or services provided, under this contract meets the statutory definition of a "public works contract" in 18-2-401, MCA. Unless superseded by federal law, Montana law requires that contractors and subcontractors give preference to the employment of Montana residents for any public works contract in excess of \$25,000 for construction or nonconstruction services. Contractor shall abide by the requirements set out in 18-2-401 through 18-2-432, MCA, and all administrative rules adopted under these statutes.

The Commissioner of the Montana Department of Labor and Industry has established the resident requirements in accordance with 18-2-403 and 18-2-409, MCA. Any and all questions concerning prevailing wage and Montana resident issues should be directed to the Montana Department of Labor and Industry.

**7.2 Standard Prevailing Rate of Wages.** In addition, unless superseded by federal law, all employees working on a public works contract must be paid prevailing wage rates in accordance with 18-2-401 through 18-2-432, MCA, and all associated administrative rules. Montana law requires that all public works contracts, as defined in 18-2-401, MCA, in which the total cost of the contract is greater than \$25,000, contain a provision stating for each job classification the standard prevailing wage rate, including fringe benefits, travel, per diem, and zone pay that the contractors, subcontractors, and employers shall pay during the public works contract.

Because this contract has an initial term of 12 months with optional renewals, this contract is subject to the 3% adjustment when the contract length becomes more than 30 months. The 3% rate increase becomes effective upon the second renewal, and the 3% is paid starting in the third year of the contract beginning with the 25th month. The adjustment must be made and applied every 12 months for the term of the contract. This adjustment is the sole responsibility of Contractor and no cost adjustment in this contract will be allowed to fulfill this requirement.

**7.3 Notice of Wages and Benefits.** Furthermore, 18-2-406, MCA, requires that all contractors, subcontractors, and employers who are performing work or providing services under a public works contract post in a prominent and accessible site on the project staging area or work area, no later than the first day of work and continuing for the entire duration of the contract, a legible statement of all wages and fringe benefits to be paid to the employees in compliance with 18-2-423, MCA.

**7.4 Wage Rates, Pay Schedule, and Records.** 18-2-423, MCA, requires that employees receiving an hourly wage must be paid on a weekly basis. Each contractor, subcontractor, and employer shall maintain payroll records in a manner readily capable of being certified for submission under 18-2-423, MCA, for not less than three years after the contractor's, subcontractor's, or employer's completion of work on the public works contract. The Commissioner of the Montana Department of Labor and Industry has established the standard prevailing rate of wages in accordance with 18-2-401 and 18-2-402, MCA, for Septic Tank Servicers and Sewer Pipe Cleaners to be \$22.25 per hour, plus a benefit rate of \$8.25.

## **8. ACCESS AND RETENTION OF RECORDS**

**8.1 Access to Records.** Contractor shall provide the Department, Legislative Auditor, or their authorized agents access to any records necessary to determine contract compliance. The Department may terminate this contract under section 17, without incurring liability, for the Contractor's refusal to allow access as required by this section. (18-1-118, MCA.)

**8.2 Retention Period.** Contractor shall create and retain all records supporting the services rendered for a period of eight years after either the completion date of this contract or termination of the contract.

## **9. ASSIGNMENT, TRANSFER, AND SUBCONTRACTING**

Contractor may not assign, transfer, or subcontract any portion of this contract without the Department's prior written consent. (18-4-141, MCA) Contractor is responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by Contractor. No contractual relationships exist between any subcontractor and the Department under this contract.

## **10. HOLD HARMLESS/INDEMNIFICATION**

Contractor agrees to protect, defend, indemnify, and hold harmless the Department, its elected and appointed officials, agents and employees from and against all legal, equitable or administrative claims, causes of action, damages, losses and expenses, of any kind or character, including but not limited to attorneys' fees and the costs of defense, arising in favor of Contractor's employees or third parties on account of bodily injury, sickness, disease, death, personal injury, violation of an offender's constitutional or statutory rights, or to injury to or destruction of tangible property except for such claims, causes of action, damages, losses or expenses which are solely due to the fault or negligence of the party seeking indemnity.

This insurance shall cover such claims as may be caused by any negligent act or omission.

**11.2 Primary Insurance.** Contractor's insurance coverage shall be primary insurance with respect to the Department, its officers, officials, employees, and volunteers and shall apply separately to each project or location. Any insurance or self-insurance maintained by the Department, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

**11.3 Specific Requirements for Commercial General Liability.** Contractor shall purchase and maintain occurrence coverage with combined single limits for bodily injury, personal injury, and property damage of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate per year to cover such claims as may be caused by any act, omission, or negligence of Contractor or its officers, agents, representatives, assigns, or subcontractors.

The Department, its officers, officials, employees, and volunteers are to be covered and listed as additional insureds for liability arising out of activities performed by or on behalf of Contractor, including the insured's general supervision of Contractor, products, and completed operations, and the premises owned, leased, occupied, or used.

**11.4 Specific Requirements for Automobile Liability.** Contractor shall purchase and maintain coverage with split limits of \$500,000 per person (personal injury), \$1,000,000 per accident occurrence (personal injury), and \$100,000 per accident occurrence (property damage), OR combined single limits of \$1,000,000 per occurrence to cover such claims as may be caused by any act, omission, or negligence of Contractor or its officers, agents, representatives, assigns, or subcontractors.

**11.6 Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be declared to and approved by the Department. At the request of the Department either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Department, its officers, officials, employees, or volunteers; or (2) at the expense of Contractor, Contractor shall procure a bond guaranteeing payment of losses and related investigations, claims administration, and defense expenses.

**11.7 Certificate of Insurance/Endorsements.** A certificate of insurance from an insurer with a Best's rating of no less than A- indicating compliance with the required coverages has been received by the Department's Contracts Management Bureau, P.O. Box 201301, Helena, MT 59620. Contractor must notify the Department immediately of any material change in insurance coverage, such as changes in limits, coverages, change in status of policy, etc. The Department reserves the right to require complete copies of insurance policies at all times.

Neither Contractor nor its employees are Department employees. This insurance/exemption must be valid for the entire contract term and any renewal. Upon expiration, a renewal document must be sent to the Department's Contracts Management Bureau, P.O. Box 201301, Helena, MT 59620.

The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

**17.2 Termination for Cause with Notice to Cure Requirement.** Contractor may terminate this contract for the Department's failure to perform any of its duties under this contract after giving the Department written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than **30 days**. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

**17.3 Reduction of Funding.** The Department must by law terminate this contract if funds are not appropriated or otherwise made available to support the Department's continuation of performance of this contract in a subsequent fiscal period. (18-4-313(4), MCA.) A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this contract, unless the parties mutually agree that the obligation is excused because of the condition.

## **20. WAIVER OF BREACH**

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

## **21. CONFORMANCE WITH CONTRACT**

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without the Department's Contracts Management Bureau's prior written consent. Contractor shall designate a liaison that will provide the single point of contact for management and coordination of Contractor's work. All work performed under this contract must be coordinated between the Department's liaison and Contractor's liaison.

The Department shall provide Contractor a minimum of three full working days notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the contract.

**23.2 Failure to Notify.** If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by the Department, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

**23.3 Department's Failure or Delay.** For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of the Department's failure or delay in discharging any Department obligation, the Department shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If the Department agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby, and provide for any additional charges by Contractor. This is Contractor's sole remedy. If the Department does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

## **24. TRANSITION ASSISTANCE**

such services to the Department or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this contract, except for those terms or conditions that do not reasonably apply to such transition assistance. The Department shall pay Contractor for any resources utilized in performing such transition assistance at the most current contract rates. If the Department terminates a project or this contract for cause, then the Department may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages the Department may have sustained as a result of Contractor's breach.

**25. CHOICE OF LAW AND VENUE**

Montana law governs this contract. The parties agree that any litigation concerning this bid, proposal, or this contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.

**28. SEVERABILITY CLAUSE**

A declaration by any court or any other binding legal source that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually and materially dependent.

**29. SCOPE, ENTIRE AGREEMENT, AND AMENDMENT**

**29.1 Contract.** This contract consists of 10 numbered pages and any Attachments as required. In the case of dispute or ambiguity arising between or among the documents, the order of precedence of document interpretation is the same.

**7.2 Standard Prevailing Rate of Wages.** In addition, unless superseded by federal law, all employees working on a public works contract must be paid prevailing wage rates in accordance with 18-2-401 through 18-2-432, MCA, and all associated administrative rules. Montana law requires that all public works contracts, as defined in 18-2-401, MCA, in which the total cost of the contract is greater than \$25,000, contain a provision stating for each job classification the standard prevailing wage rate, including fringe benefits, travel, per diem, and zone pay that the contractors, subcontractors, and employers shall pay during the public works contract.

Because this contract has an initial term of 12 months with optional renewals, this contract is subject to the 3% adjustment when the contract length becomes more than 30 months. The 3% rate increase becomes effective upon the second renewal, and the 3% is paid starting in the third year of the contract beginning with the 25th month. The adjustment must be made and applied every 12 months for the term of the contract. This adjustment is the sole responsibility of Contractor and no cost adjustment in this contract will be allowed to fulfill this requirement.

**7.3 Notice of Wages and Benefits.** Furthermore, 18-2-406, MCA, requires that all contractors, subcontractors, and employers who are performing work or providing services under a public works contract post in a prominent and accessible site on the project staging area or work area, no later than the first day of work and continuing for the entire duration of the contract, a legible statement of all wages and fringe benefits to be paid to the employees in compliance with 18-2-423, MCA.

**7.4 Wage Rates, Pay Schedule, and Records.** 18-2-423, MCA, requires that employees receiving an hourly wage must be paid on a weekly basis. Each contractor, subcontractor, and employer shall maintain payroll records in a manner readily capable of being certified for submission under 18-2-423, MCA, for not less than three years after the contractor's, subcontractor's, or employer's completion of work on the public works contract. The Commissioner of the Montana Department of Labor and Industry has established the standard prevailing rate of wages in accordance with 18-2-401 and 18-2-402, MCA, for Septic Tank Servicers and Sewer Pipe Cleaners to be \$20.15 per hour, plus a benefit rate of \$8.53.

## **8. ACCESS AND RETENTION OF RECORDS**

**8.1 Access to Records.** Contractor shall provide the Department, Legislative Auditor, or their authorized agents access to any records necessary to determine contract compliance. The Department may terminate this contract under section 17, without incurring liability, for the Contractor's refusal to allow access as required by this section. (18-1-118, MCA.)

**8.2 Retention Period.** Contractor shall create and retain all records supporting the services rendered for a period of eight years after either the completion date of this contract or termination of the contract.

## **9. ASSIGNMENT, TRANSFER, AND SUBCONTRACTING**

Contractor may not assign, transfer, or subcontract any portion of this contract without the Department's prior written consent. (18-4-141, MCA) Contractor is responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by Contractor. No contractual relationships exist between any subcontractor and the Department under this contract.

## **10. HOLD HARMLESS/INDEMNIFICATION**

Contractor agrees to protect, defend, indemnify, and hold harmless the Department, its elected and appointed officials, agents and employees from and against all legal, equitable or administrative claims, causes of action, damages, losses and expenses, of any kind or character, including but not limited to attorneys' fees and the costs of defense, arising in favor of Contractor's employees or third parties on account of bodily injury, sickness, disease, death, personal injury, violation of an offender's constitutional or statutory rights, or to injury to or destruction of tangible property except for such claims, causes of action, damages, losses or expenses which are solely due to the fault or negligence of the party seeking indemnity.

## **11. REQUIRED INSURANCE**

**11.1 General Requirements.** Contractor shall maintain for the duration of this contract, at its cost and expense, insurance against claims for injuries to persons or damages to property, including contractual liability, which may arise from or in connection with the performance of the work by Contractor, agents, employees, representatives, assigns, or subcontractors. This insurance shall cover such claims as may be caused by any negligent act or omission.

**11.2 Primary Insurance.** Contractor's insurance coverage shall be primary insurance with respect to the Department, its officers, officials, employees, and volunteers and shall apply separately to each project or location. Any insurance or self-insurance maintained by the Department, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

**11.3 Specific Requirements for Commercial General Liability.** Contractor shall purchase and maintain occurrence coverage with combined single limits for bodily injury, personal injury, and property damage of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate per year to cover such claims as may be caused by any act, omission, or negligence of Contractor or its officers, agents, representatives, assigns, or subcontractors.

The Department, its officers, officials, employees, and volunteers are to be covered and listed as additional insureds for liability arising out of activities performed by or on behalf of Contractor, including the insured's general supervision of Contractor, products, and completed operations, and the premises owned, leased, occupied, or used.

**11.4 Specific Requirements for Automobile Liability.** Contractor shall purchase and maintain coverage with split limits of \$500,000 per person (personal injury), \$1,000,000 per accident occurrence (personal injury), and \$100,000 per accident occurrence (property damage), OR combined single limits of \$1,000,000 per occurrence to cover such claims as may be caused by any act, omission, or negligence of Contractor or its officers, agents, representatives, assigns, or subcontractors.

**11.6 Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be declared to and approved by the Department. At the request of the Department either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Department, its officers, officials, employees, or volunteers; or (2) at the expense of Contractor, Contractor shall procure a bond guaranteeing payment of losses and related investigations, claims administration, and defense expenses.

**11.7 Certificate of Insurance/Endorsements.** A certificate of insurance from an insurer with a Best's rating of no less than A- indicating compliance with the required coverages has been received by the Department's Contracts Management Bureau, P.O. Box 201301, Helena, MT 59620. Contractor must notify the Department immediately of any material change in insurance coverage, such as changes in limits, coverages, change in status of policy, etc. The Department reserves the right to require complete copies of insurance policies at all times.

## **12. LICENSURE**

Contractor agrees to provide copies of current licenses and certifications that register Contractor and any associates performing under this Contract.

## **13. COMPLIANCE WITH WORKERS' COMPENSATION ACT**

compliance must be in the form of workers' compensation insurance, an independent contractor's exemption, or documentation of corporate officer status. Neither Contractor nor its employees are Department employees. This insurance/exemption must be valid for the entire contract term and any renewal. Upon expiration, a renewal document must be sent to the Department's Contracts Management Bureau, P.O. Box 201301, Helena, MT 59620.

#### **14. COMPLIANCE WITH LAWS**

CONTRACTOR shall establish a zero tolerance policy to incidents of sexual assault/rape or sexual misconduct. Any subletting or subcontracting by Contractor subjects subcontractors to the same provisions. In accordance with 49-3-207, MCA, and Executive Order No. 04-2016 Contractor agrees that the hiring of persons to perform this Contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this Contract.

**Additional Indemnification.** Claims under this provision also include those arising out of or in any way connected with Contractor's breach of this contract, including any Claims asserting that any of Contractor's employees are actually employees or common law employees of the State or any of its agencies, including but not limited to, excise taxes or penalties imposed on the State under the Code §§ 4980H, 6055 or 6056.

**Reporting Requirements.** Contractor, if contractor is an applicable large employer under the ACA, further states that it shall satisfy all reporting requirements under the Code §§ 6055 and 6056 (ACA) with respect to individuals who perform services for the State.

**Auditing.** The State may audit Contractor's operations to ensure that the Contractor has complied with the statements made above.

**17.1 Termination for Cause with Notice to Cure Requirement.** The Department may terminate this contract in whole or in part for Contractor's failure to materially perform any of the services, duties, terms, or conditions contained in this contract after giving Contractor written notice of the stated failure. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

**17.2 Termination for Cause with Notice to Cure Requirement.** Contractor may terminate this contract for the Department's failure to perform any of its duties under this contract after giving the Department written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than **30 days**. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

**17.3 Reduction of Funding.** The Department must by law terminate this contract if funds are not appropriated or otherwise made available to support the Department's continuation of performance of this contract in a subsequent fiscal period. (18-4-313(4), MCA.) If state or federal government funds are not appropriated or otherwise made available through the Department budgeting process to support continued performance of this contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, the Department shall terminate this contract as required by law. The Department shall provide Contractor the date the Department's termination shall take effect. The Department shall not be liable to Contractor for any payment that would have been payable had the contract not been terminated under this provision. As stated above, the Department shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date the Department's termination takes effect. This is Contractor's sole remedy. ## **19. FORCE MAJEURE**

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this contract, unless the parties mutually agree that the obligation is excused because of the condition.

## **20. WAIVER OF BREACH**

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

## **21. CONFORMANCE WITH CONTRACT**

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without the Department's Contracts Management Bureau's prior written consent. Product or services provided that do not conform to the contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

## **22. LIAISONS AND SERVICE OF NOTICES**

**22.1 Contract Liaisons.** All project management and coordination on the Department's behalf must be through a single point of contact designated as the Department's liaison. Contractor shall designate a liaison that will provide the single point of contact for management and coordination of Contractor's work. All work performed under this contract must be coordinated between the Department's liaison and Contractor's liaison.

## **23. MEETINGS**

**23.1 Technical or Contractual Problems.** Contractor shall meet with the Department's personnel, or designated representatives, to resolve technical or contractual problems occurring during the contract term or to discuss the progress made by Contractor and the Department in the performance of their respective obligations, at no additional cost to the Department. The Department may request the meetings as problems arise and will be coordinated by the Department. The Department shall provide Contractor a minimum of three full working days notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the contract.

**23.2 Failure to Notify.** If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by the Department, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

**23.3 Department's Failure or Delay.** For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of the Department's failure or delay in discharging any Department obligation, the Department shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If the Department agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby, and provide for any additional charges by Contractor. This is Contractor's sole remedy. If the Department does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

## **24. TRANSITION ASSISTANCE**

If this contract is not renewed at the end of this term, if the contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor shall provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this contract or particular work under this contract. The purpose of this assistance is to allow for the expired or terminated

portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to the Department or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this contract, except for those terms or conditions that do not reasonably apply to such transition assistance. The Department shall pay Contractor for any resources utilized in performing such transition assistance at the most current contract rates. If the Department terminates a project or this contract for cause, then the Department may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages the Department may have sustained as a result of Contractor's breach.

## **25. CHOICE OF LAW AND VENUE**

Montana law governs this contract. The parties agree that any litigation concerning this bid, proposal, or this contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.

The Department of Montana is exempt from Federal Excise Taxes (#81-0302402).

## **27. AUTHORITY**

This contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

## **28. SEVERABILITY CLAUSE**

A declaration by any court or any other binding legal source that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually and materially dependent.

## **29. SCOPE, ENTIRE AGREEMENT, AND AMENDMENT**

**29.1 Contract.** This contract consists of 10 numbered pages and any Attachments as required. In the case of dispute or ambiguity arising between or among the documents, the order of precedence of document interpretation is the same.

## **30. WAIVER**

The Department's waiver of any Contractor obligation or responsibility in a specific situation is not a waiver in a future similar situation or is not a waiver of any other Contractor obligation or responsibility.
